Memorandum:

The Agent of Dominion Lands at Lethbridge draws attention to the fact that Mr.V.W.Heydlauff would appear, according to a statutory declaration made by him before the surveyor, to be entitled to a homestead entry for the S.E.¼ of Section 21, Township 1, Range 1, West of the Fourth Meridian, and asks whether this quarter section may be withdrawn from the operations of the lease and the applicant allowed to obtain entry for the same.

Mr.Heydlauff states in the statutory declaration made by him before the surveyor (on this file) that he went into actual occupation of the quarter section in July, 1905, and has been in continuous residence ever since; also that he has improvements in the shape of a house and sheds valued at $600.00 and fencing valued at $500.00.

Mr.York reports that this land is included in Ranche No.7074, which is not open for homestead entry, but that if Mr.Heydlauff is eligible there would be no objection, in so far as the lease is concerned, to his obtaining entry as he is the lessee.

The land appears on the list sent to the Agent of Dominion Lands on the 1st September last, as "closed grazing lease."

J.W.Greenway, Esq.,
Commissioner of Dominion Lands.

Dear Mr. Wylie:

Your letter of the 24th of January, 1925, addressed to Mr. [illegible] Chairman of this Department, requiring about a dozen grain letter, has been referred to my attention. I understand that Messrs. Aldock and Stone, Barristers and Solicitors, on behalf of certain Vancouver grain dealers are desirous of having certain words removed from the following lines: the [illegible] 31-1-1-.4lc, and have requested a statement of the critical and interest outstanding.

As you know, there is a Grain Advisory Board appointed by the Canadian Government for the purpose of adjusting these claims accounts.

I have asked Mr. [illegible], who is a member of the said Grain Advisory Board, to write directly to Messrs. Aldock and Stone, and supply them with the required information.

Dear Sir:

Re: N½ 9, NE & W½ 30, SE 31-1-1-W.4
Victor W. Heydlauff, Wild Horse.
Dominion Advances

Your letters of March 11th and May 5th, addressed to Mr. Judge have been referred to me for attention and reply and I must humbly apologize for not replying to your first letter, but through some error the file was returned to the filing cabinet.

We have on file, a statement received from Ottawa last fall which indicates that principal amount of advances outstanding is $425.75 and interest to March 31st, 1954, amounts to $831.32, a total of $1,257.07. It would appear that Mr. Heydlauff wishes to have this indebtedness written-off in its entirety and you state that you wish to support his application in this respect.

The Seed Grain and Relief Adjustment Board was constituted for the purpose of dealing with applications for compromise settlement of accounts for Dominion Advances, Joint Relief Advances where both the Government of Canada and the Province of Alberta had an interest in financing the Advances made. In addition to any settlements arrived, upon recommendation by the Board, the authorities at Ottawa have in the past, without reference to our Board, dealt with settlement or liquidation of accounts where the Province was not financially interested, as is the case with Dominion Advances.

Applications for compromise to the Board are usually submitted on the grounds that payment of the account in full would inflict a hardship on the debtor or his dependents and due consideration is given to these factors. In the case of Mr. Heydlauff, the existence of the liens would not appear to handicap him in any way in the matter of operating the lands and obtaining the benefit of any returns received from cultivation or grazing.

Furthermore, it is noted that a mortgage for $3000.00 was registered on July 27th, 1920, in favor of Benjamin A. John and this encumbrance was discharged on December 18, 1948. We do not have particulars of the basis on which settlement was made of this mortgage and you will kindly note that the claim of the Crown was a prior charge to the mortgage and should receive, under ordinary circumstances, at least as favourable treatment.

In closing, I would like to state that Mr. Heydlauff's public spirited ventures, which have no doubt, cost him considerable amounts over the years, are appreciated and we would like to assist in any manner possible to obtain release of the liens presently encumbering his lands and I am taking the liberty of forwarding a copy of this letter to Mr. C. K. LeCapelain, of the Department of Northern Affairs and Natural Resources, for any suggestions he may wish to make which might accomplish removal of the encumbrance.

Yours very truly,

We wish to thank you for sending us a copy of your letter addressed to Mr. W. D. Wylie, M.P., the Member for Medicine Hat, referring to the account of Victor W. Heydlauff.

You have asked for any suggestions which we might wish to make concerning the removal of our liens. In the recommendations which we have received from you we have found that you have made a thorough investigation in each case and that you have been reasonable in your settlements. With the limited information which we have on our files we prefer to leave the decision in this case entirely to your judgment.

As you know, the Seed Grain Advisory Board here has in the past taken a lenient attitude in the matter of settling these old accounts and we are certain that your decision in this matter will meet with their approval.

Dear Sir:

DOMINION ADVANCES
N.½ 9; N.E. & W.½ 30;
S.E.¼ 31-1-1 W. 4th

This will acknowledge and thank you for sending us a copy of your letter to W.D. Wylie, M.P. for Medicine Hat and referring to the Seed Grain liens registered against the above lands of Victor W. Heydlauff. From your investigation and other information we have on file, there does not appear to be justification for writing off this account without some payment.

When Mr. Wylie wrote to us on the 24th of January, 1955, we referred his inquiry to your office on the possibility that there might be Provincial or Joint Federal-Provincial charges as well as our liens. It now appears that the Federal Seed Grain advances are the only assistance Mr. Heydlauff has received and as Mr. Wylie has again written to us regarding a settlement, it is proposed to have the Seed Grain Advisory Board at Ottawa consider this account and make a recommendation.

I trust that as this is a purely Federal Account, the Seed Grain Advisory Board at Edmonton will have no objection to the suggested arrangement.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

In your letter to Mr. J.W. Juige, dated the 11th of March, 1955, you state that the Federal Seed Grain Advances are the only assistance Mr. Heydlauff has received from any Government. As there is no Provincial indebtedness to be considered I will arrange to have the Seed Grain Advisory Board at Ottawa make a recommendation in this case.

In reviewing the correspondence you have sent us and the information we have on file, it would appear that Mr. Heydlauff is a well respected public spirited man in the community who has not made too much money in farming. The fact that he has continued on the land for so many years, assisting in the development of the country warrants consideration by the Board. If Mr. Heydlauff, or his agent, will write to Mr. C.K. LeCapelain, Chief, Lands Division of this Department, setting out some of his difficulties and offering to pay the principal outstanding, I believe the Seed Grain Advisory Board would give favourable consideration to writing off the interest.

Yours sincerely,

Jean Lesage.

Dear Mr. Wylie:

I am returning the file of correspondence you sent to Mr. C.K. LeCapelain of our Lands Division regarding the Federal Seed Grain liens registered against the land of Victor W. Heydlauff of Wild Horse, Alberta. It is always helpful to have the views of those particularly concerned with these Seed Grain Accounts. I am also pleased to note that Mr. H.H. Stone, Q.C., of Niblock and Stone, Medicine Hat, Alberta, has expressed his satisfaction with settlements arranged through the Seed Grain Advisory Board at Ottawa.

The statutory authority for making adjustments of outstanding Seed Grain, Fodder and Relief advances requires that an investigation and report be made for each individual account. In Alberta, the Chief Collector, Department of Municipal Affairs, makes the investigation and reports to the Seed Grain Advisory Board at Edmonton. The Chief Collector also investigates and reports to the Alberta Agricultural Relief Adjustment Board on Provincial advances. Very many of the lands encumbered by Federal liens also have Provincial or joint Federal-Provincial charges registered against them and usually it is possible to clear all of the crown charges in one adjustment. This is particularly advantageous in cases where the debtor will not negotiate unless all crown charges are to be considered.

We wish to thank you for your letter of the 3rd of November, 1955, enclosing your client's cheque for $100.00 to settle the account of Victor W. Haydlauff charged against the above land. Receipt No. 27924 is enclosed.

Some time ago Mr. W.D. Wylie, M.P., wrote on your behalf concerning this account and he was advised by the Honourable Jean Lesage, Minister for this Department, that he believed the Seed Grain Advisory Board would give favourable consideration to writing off the interest. It would appear that the amount of $100.00 is being submitted by you as full payment of this account, whereas the principal amounts to $425.75.

Possibly there are other extenuating circumstances of which we have not been advised but on the basis of the information on hand it is felt that there is no justification for accepting less than the principal in this case. However, we should be pleased to hear from you and if the proposed settlement is not satisfactory the amount of your client's remittance will of course be refunded.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 seed grain in the amount of $425.75 was advanced to Victor William Heydlauff on the security of the S.E. 31-1-1-W.4th and later the liens became attached to the remaining land described above. No payment was ever made on this indebtedness until the sum of $425.75 was received when the standing of the account was:-

Principal	Interest	Total
$425.75	$852.81	$1,278.56

On the 21st of January, 1955, Messrs. Niblock and Stone, Barristers, Solicitors and Notaries, Medicine Hat, Alberta, wrote in part as follows:-

"Re: Victor W. Heydlauff, Wild Horse.
Our file 215 MHS

Upon examination of Mr. Heydlauff's titles I find that the same are subject to Dominion Seed Grain advances in the years 1915-1916.

As you are aware, no attempt has ever been made by the Dominion authorities to collect these liens, and any statement that can be obtained from the Department of Resources and Development will undoubtedly show a terrific amount of interest from 1915 to 1955.

You are familiar with the vicissitudes of Vic's farming life since this seed grain was obtained, and I think this is a case where the Government should be satisfied with the return of principal and cancellation of the thirty-nine years interest.

It would be appreciated if settlement could be made with the Department on the basis of payment of the principal only. I am inclined to believe that he will have to borrow the money in any event."

In 1952 the average assessment of each quarter of the above described land was only $626.00. The land is also in arrears of taxes.

After negotiations the sum of $425.75 being the principal has been received in full settlement of our account. Under the circumstances and in view of the poor quality of land, this is considered equitable.

COMMISSIONER Ottawa, 22nd May, 1919.

MEMORANDUM:-

S.E. 9-11-12, W.4th M.
Pre-emption Homestead.

S.W.¼ 9-11-12, W.4th M.,
Pre-emption of the late Mrs.
Lydia Grande.
6th October, 1913.

In the letter of the 19th March last, Miss Ruth M. Grande informed the Department that her brother, M. Grande of the 231st Battalion, Det. C.M.R., Dvr. Div., enlisted for the [illegible], Ltd., [illegible] enlisted [illegible] 1st April, 1916, 1st [illegible], (Forestry) C.E.F.

The certificate referred to is as follows:-

"It is hereby certified that, according to information communicated to the Department by officials [illegible], Private Enter. [illegible] Grande of the 1st Canadian Mounted Rifles, Canadian Expeditionary Force, died at No. 3 Casualty Clearing Station, France, on the 4th day of August, 1916, of [illegible] (accidental).

The records at Militia Headquarters show the next of kin of the said [illegible] as:-

J. J. Grande, (Father)
Halstad, Norman Co., Minn., U.S.A."

The Certificate of the Militia Department has been compared with the application for entry, and identity is clearly established.

The Dead Grain Branch report seems unnecessary.

There would appear to be no reason why a patent should not now be prepared for the above pre-emption in the name of the late entrant when payment is made in full for the land as set forth on the memorandum hereunder from the Patents Branch.

Recommended, but not to be issued until [illegible] required.

Dear Sir:

Re: N. ½. 15-8-13-West 4th Meridian.
Dominion Liens. Charles Chase.

This party obtained advances from the Dominion Government in the year 1915 in a total sum of one hundred and thirty-five dollars ($135.00) and there is now outstanding with interest computed to 30th November, 1945, a sum of three hundred and forty-one dollars and fifty-two cents ($341.52).

As security for these advances liens appear on title to the above described property which, however, has been taken over by the Department under Tax Recovery Proceedings and sold for a sum of three hundred and ninety-six dollars ($396.00) which is reported to represent the fair value of the land, and the sale has been approved by the Minister of Municipal Affairs.

At the time of sale there were taxes outstanding totalling four hundred and twenty-one dollars and fifty-four cents ($421.54) and the Department has applied for a compromise settlement of the indebtedness under these liens and also under certain Provincial liens in order that a clear title may be available for the purchaser.

I would recommend that after deducting costs in a sum of six dollars ($6.00) the balance of the purchase price be distributed pro-rata between the following claims:

(continued)

(continued)

A-C-127
B-C-F.

Dominion Liens $341.82
Taxes 471.54
Provincial Advances 31.82

which will result in a distribution as follows:

Costs ..... $ 6.00
Dominion Liens 167.00
Taxes 206.00
Provincial Advances 17.00

$396.00

ADDRESS REPLY
THE DEPUTY MINISTER OF MUNICIPAL AFFAIRS
EDMONTON, ALBERTA

EDMONTON, ALBERTA
Dec. 28, 1945.

Mr. A. Soutter,
Chairman,
Seed Grain & Relief Adjustment Board,
EDMONTON, Alberta.

Dear Sir:

Re: S. W. 18-9-13-West 4th Meridian.
Dominion Liens. Charles Chase.

This party obtained advances from the Dominion Government in the year 1915 in a total sum of one hundred and thirty-five dollars ($135.00) and there is now outstanding with interest computed to 30th November, 1945, a sum of three hundred and forty-one dollars and fifty-two cents ($341.52).

As security for these advances liens appear on title to the above described property which, however, has been taken over by the Department under Tax Recovery Proceedings and sold for a sum of three hundred and ninety-six dollars ($396.00) which is reported to represent the fair value of the land, and the sale has been approved by the Minister of Municipal Affairs.

At the time of sale there were taxes outstanding totalling four hundred and twenty-one dollars and fifty-four cents ($421.54) and the Department has applied for a compromise settlement of the indebtedness under these liens and also under certain Provincial liens in order that a clear title may be available for the purchaser.

I would recommend that after deducting costs in a sum of six dollars ($6.00) the balance of the purchase price be distributed pro-rata between the following claims:

Re: Account of Charles Chase.
S. W. 35-2-13 W. 4.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1915 seed grain and relief amounting to $135.00 were advance to Charles Chase on the security of the N.W. 15-2-13 W. 4 and the S.W. 35-2-13 W.4. Order in Council P.C. 79-1326 dated the 6th of April, 1946, authorized that the N.W. 15-2-13 W. 4 be released as security for the liens on payment of $167.-- and that the balance of the indebtedness be retained as a charge against the S.W. 35-2-13 W.4.. A payment of $167.00 was received in 1945 and applied to the interest. The present standing of this account is:

Principal	Interest	Total
$ 135.00	$ 82.27	$ 217.27

Patent was issued in the name of Charles Chase for the S.W. 35-2-13 W. 4 on the 10th of August, 1916, subject to the 1915 liens.

Title to the land has since been acquired by the Minister of Municipal Affairs, of the Province of Alberta under the Arrears of Taxes Act.

The land is under the jurisdiction of the Municipal District of Warner No. 4 and is now held under a lease issued in the name of a Mr. W. H. Erickson. This quarter section is no longer assessed or subject to taxation. As such the land no longer offers any security of value for our liens.

Under the circumstances it is recommended that the indebtedness be cancelled and the liens discharged.

COMMISSIONER

OTTAWA. December 17, 1927.

MEMORANDUM

Mr. Hume.

S.E. 27-13-19. W. 4th M.

During the time George C. King held the above described land under pre-emption entry he broke thereon 10 acres.

On the 19th March, 1926, and again on the 2nd February, 1927, Inspector Wilcox reported that the whole of the quarter section could be cultivated and that the nature of the soil was sandy.

Mr. King's entry was cancelled and the land was posted for ordinary settlement on the 2nd June, 1927.

On the 10th September last the Commissioner stated in view of a request from the Timber and Grazing Lands Branch that as from the Inspector's reports the land is of a class which can be brought under cultivation it was not considered advisable to dispose of same under the grazing regulations.

The Timber and Grazing Lands Branch then furnished this office with a copy of their communication to the Agent that James B. Maitland's application for a grazing lease had been cancelled. The land was then posted in the usual way on the 24th ultimo.

In a communication of the 22nd ultimo to the Timber and Grazing Lands Branch, James B. Maitland asked for a re-inspection of this land as it was far from being suitable for cultivation, the soil being too light. He stated that to till this land would be disastrous to adjoining lands mainly on account of soil drifting which has partially ruined the road.

The Timber and Grazing Lands Branch, in furnishing a copy of Mr. Maitland's communication stated that on the 12th July last Inspector Wilcox set out that this quarter section is very sandy and at the present time is not suitable for agricultural purposes or for homesteading under the stock clause of the regulations and recommended that a lease be granted to Mr. Maitland.

Taking into consideration the report of the 12th July last which is on the T. & G. File it would seem that he has changed his mind as to the suitability of this land for agricultural purposes.

However, the applicant for a lease seems to be decided to the effect that this land is unsuitable for

.....agricultural.....

agricultural purposes and taking into consideration the last Inspector's report on T. & T. File the case is submitted as to whether the decision as to the disposal of the land is to stand.

I beg to return your Ref. No. 4745, respecting the application of George Creighton, of Cochrane, Alberta, to locate South African Scrip on the S.½ of Section 28, Township 27, Range 7, West of the 5th Meridian, and to report that Mr. Creighton was duly appointed the substitute of a South African Volunteer, and that the instrument appointing him was registered here.

He did not locate the certificate prior to the 31st December, 1911, and it cannot be accepted for entry now.

This is a case in which the substitute should be advised in reference to the reduction of such certificates for $300.00 in the terms of the letter recently approved by the Minister, and if Mr. Bennett's letter is returned, I will have the necessary action taken.

In any event, the half section upon which Mr. Creighton desires to locate his certificate is not available for that purpose, as it is reserved with other lands in the same township for the use of the Department of Indian Affairs, in connection with the Stony Indian Reserve.

MEMORANDUM.

I beg to return your Ref. No. 7398, and to report that Mr. J. George Creighton who lost as to locate a South African Volunteer Bounty Land Certificate which was endorsed in his favour on the 1st March, 1909, on the W. ½ of Section 28, Township 26, Range 7, West of the 5th Meridian, did not locate the certificate prior to the 31st December, 1911, and there is no authority under which it could be accepted for entry now.

It is true he made application on the 27th December, 1911, to the Agent of Dominion Lands at Calgary to locate the certificate on the W.½ of Section 28, Township 26, Range 7, West of the 5th Meridian, but this half section was not then, and is not now available for this purpose, as it has been reserved with other sections in the same township since June, 1904, for the use of the Indians in connection with the Stony Indian Reserve, and as the Department of Indian Affairs could not obtain the lands for which they recently applied as an addition to that Reserve, it was decided that the reservation of the lands in Township 26, Range 7, West of the 5th Meridian, including Section 28, should be continued.

In any event, Mr. Creighton could not be permitted to locate his certificate on this half section even if it were withdrawn from the reserve, as under a recent ruling lands withdrawn from reservation are not to be disposed of until specific instructions are issued by the Minister.

Respectfully submitted,
